A sepia-toned photograph of a snowy forest path. The path is covered in snow and leads into a dense forest of tall, thin trees. The trees have bare branches, and the ground is covered in a thick layer of snow. The overall tone is warm and nostalgic.

# TABLE OF CONTENTS

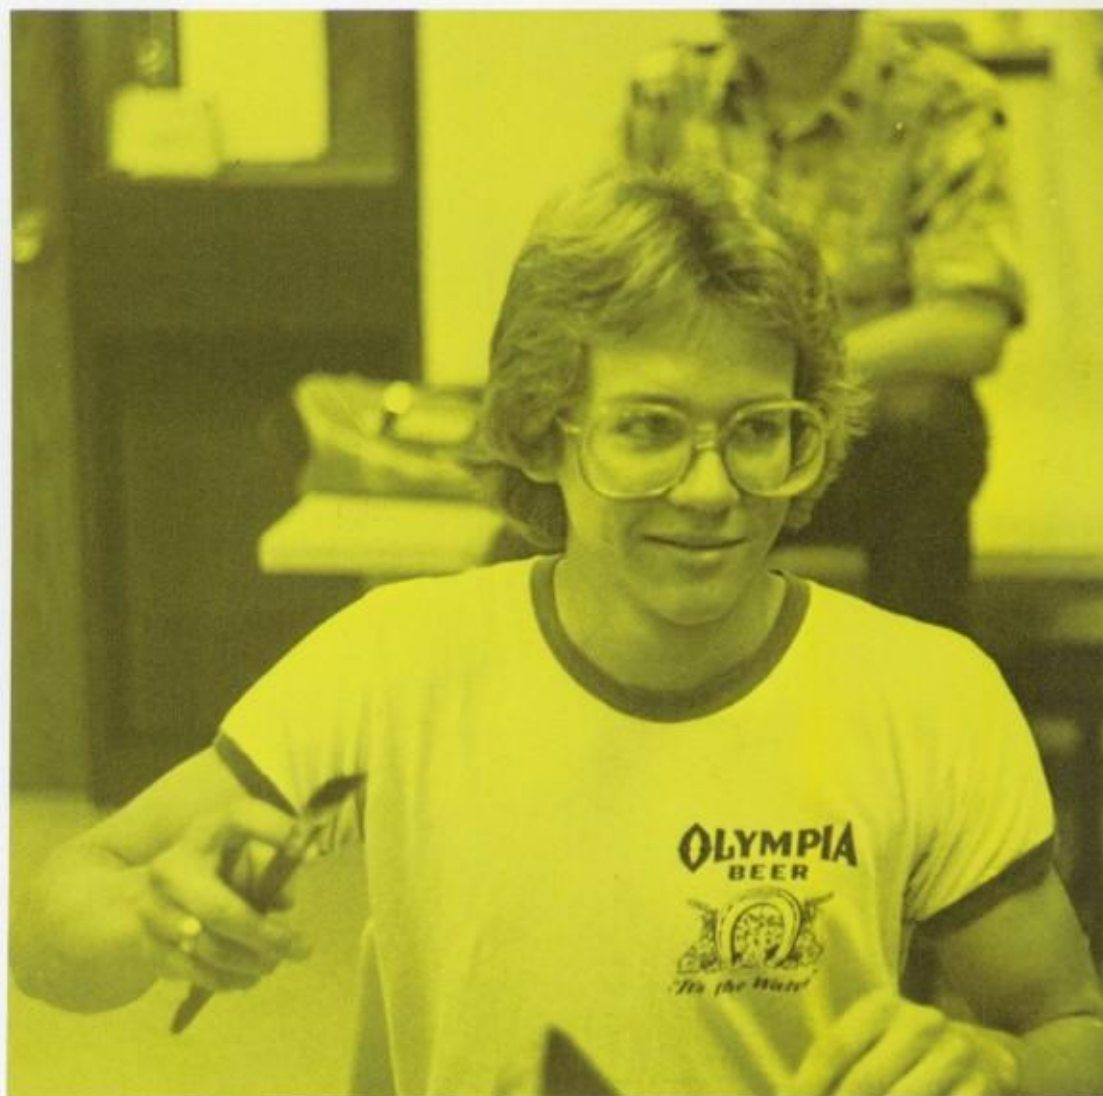

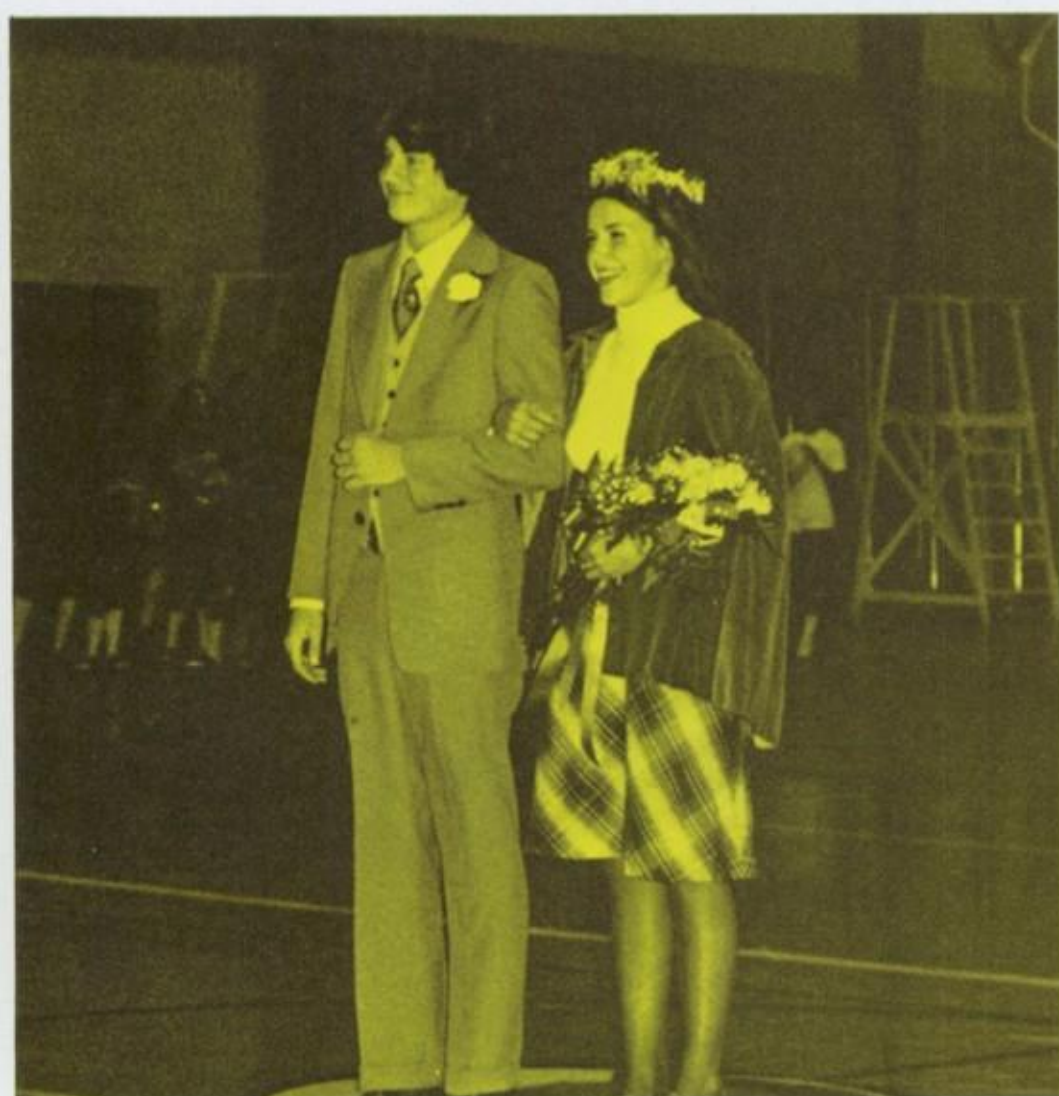

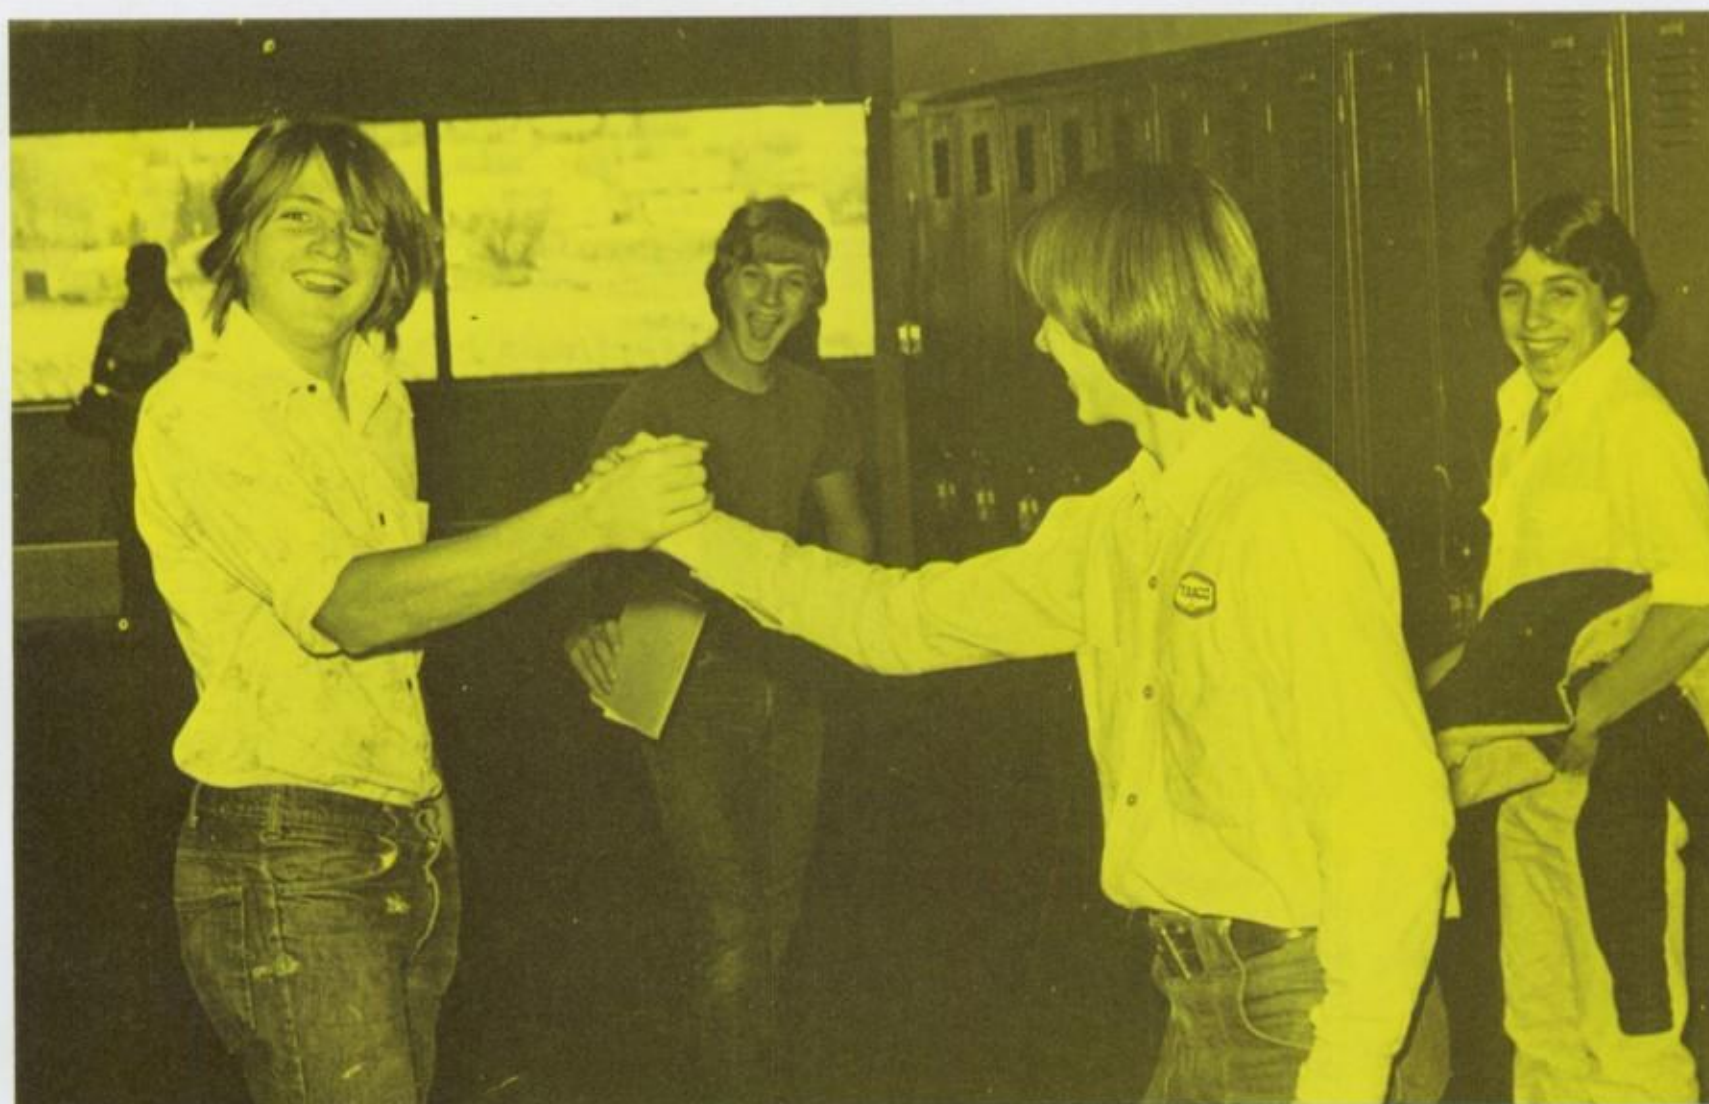

We Are All  
Traveling  
On The  
Same Road . . .

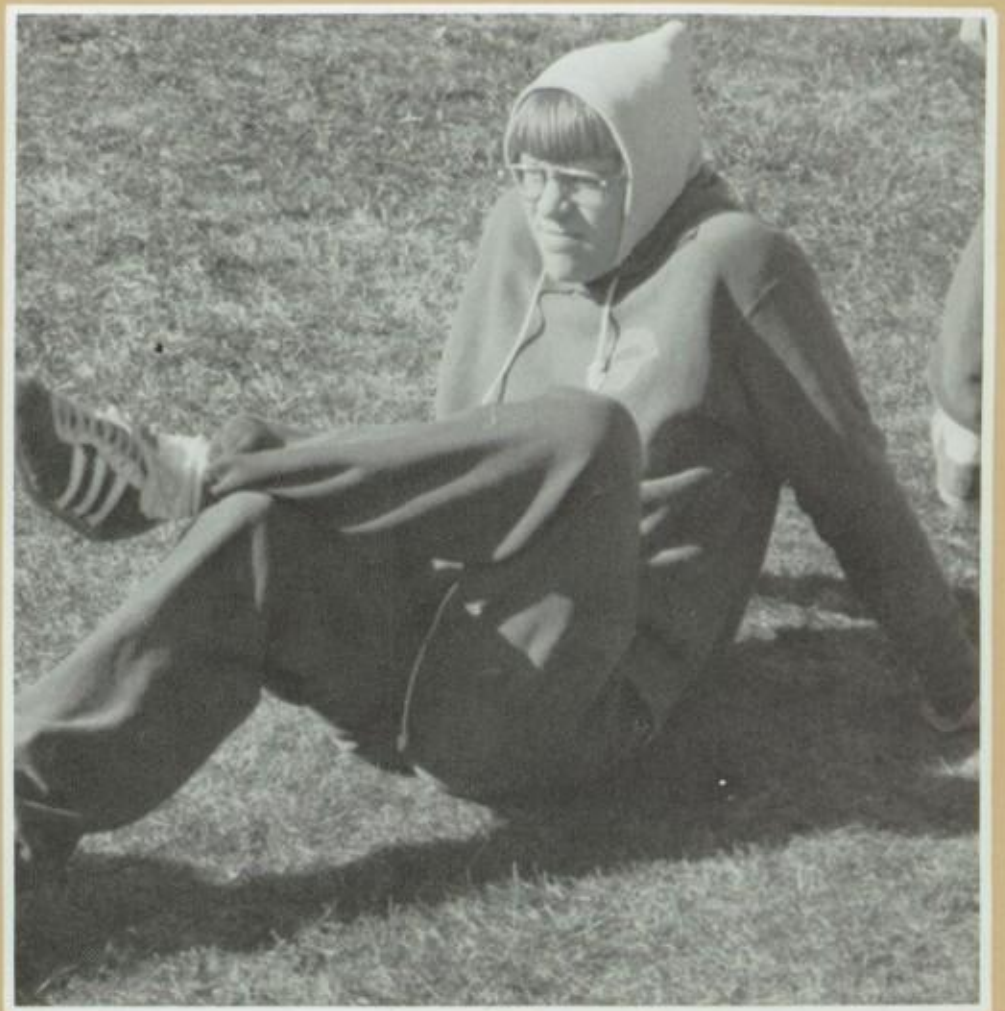

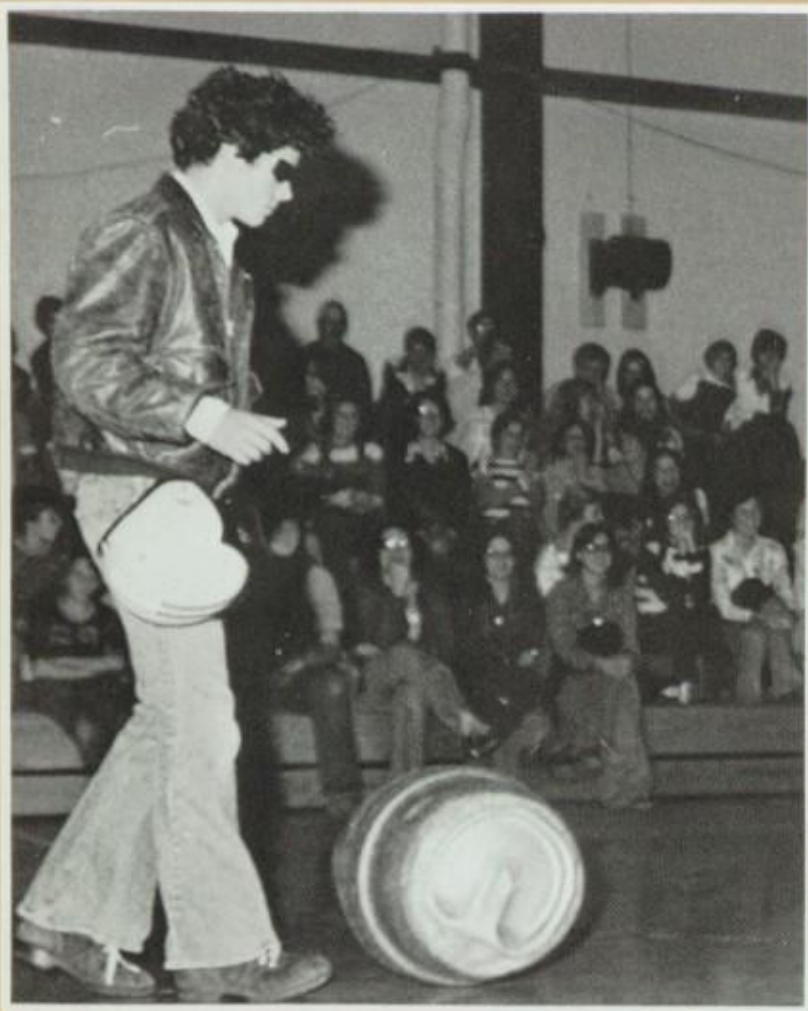

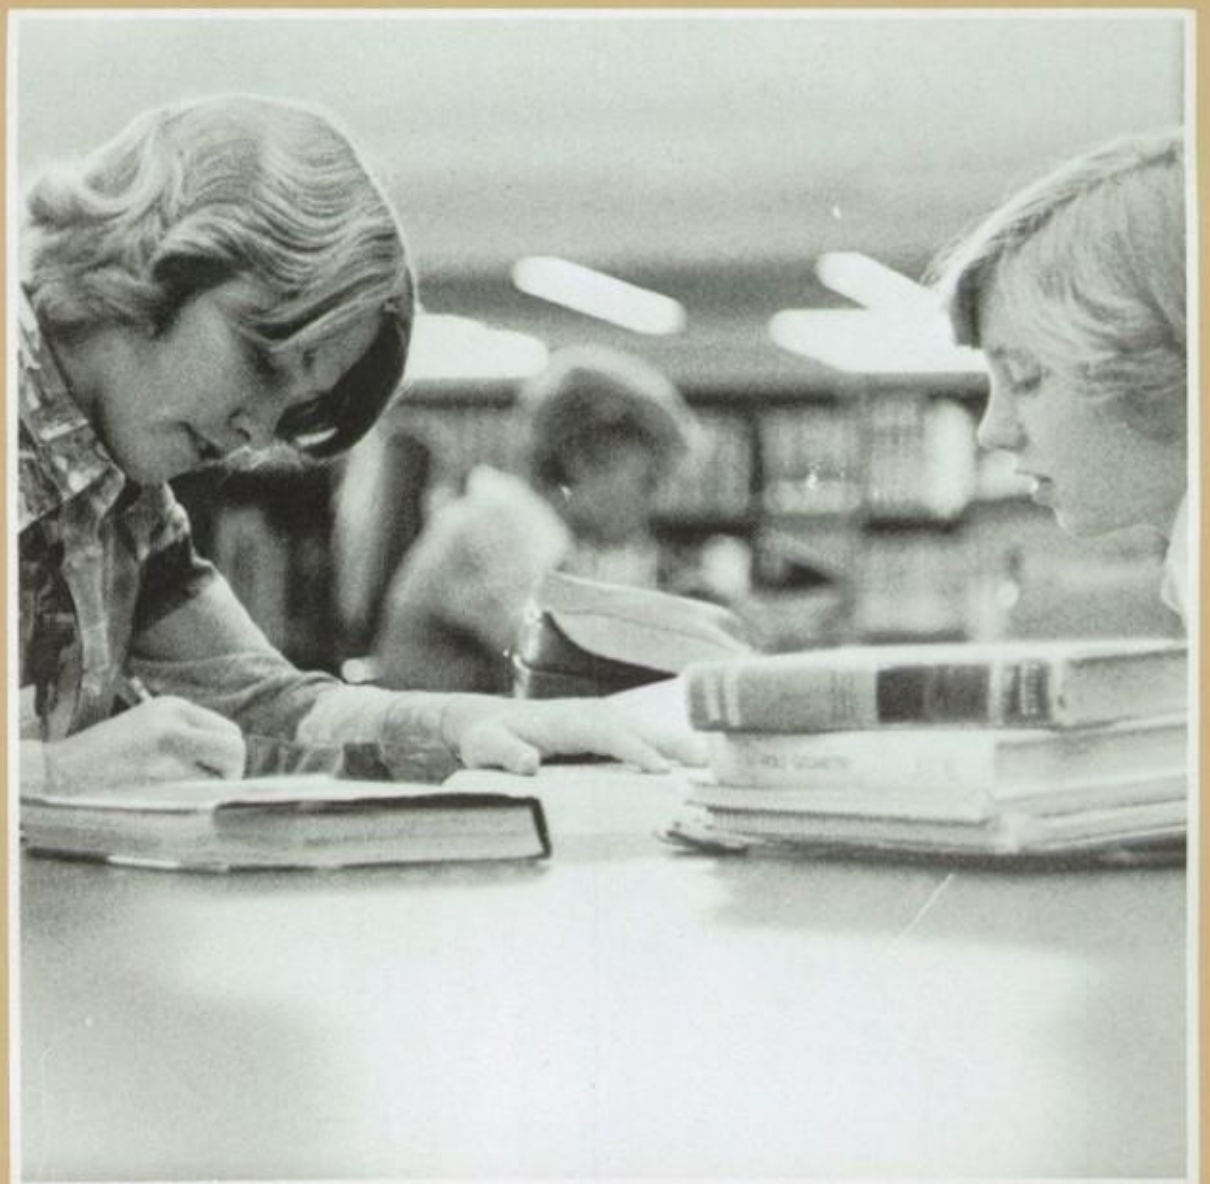

**Growing Older,  
We Learn And  
Experience  
Life's Joys And  
Sorrows . . .**

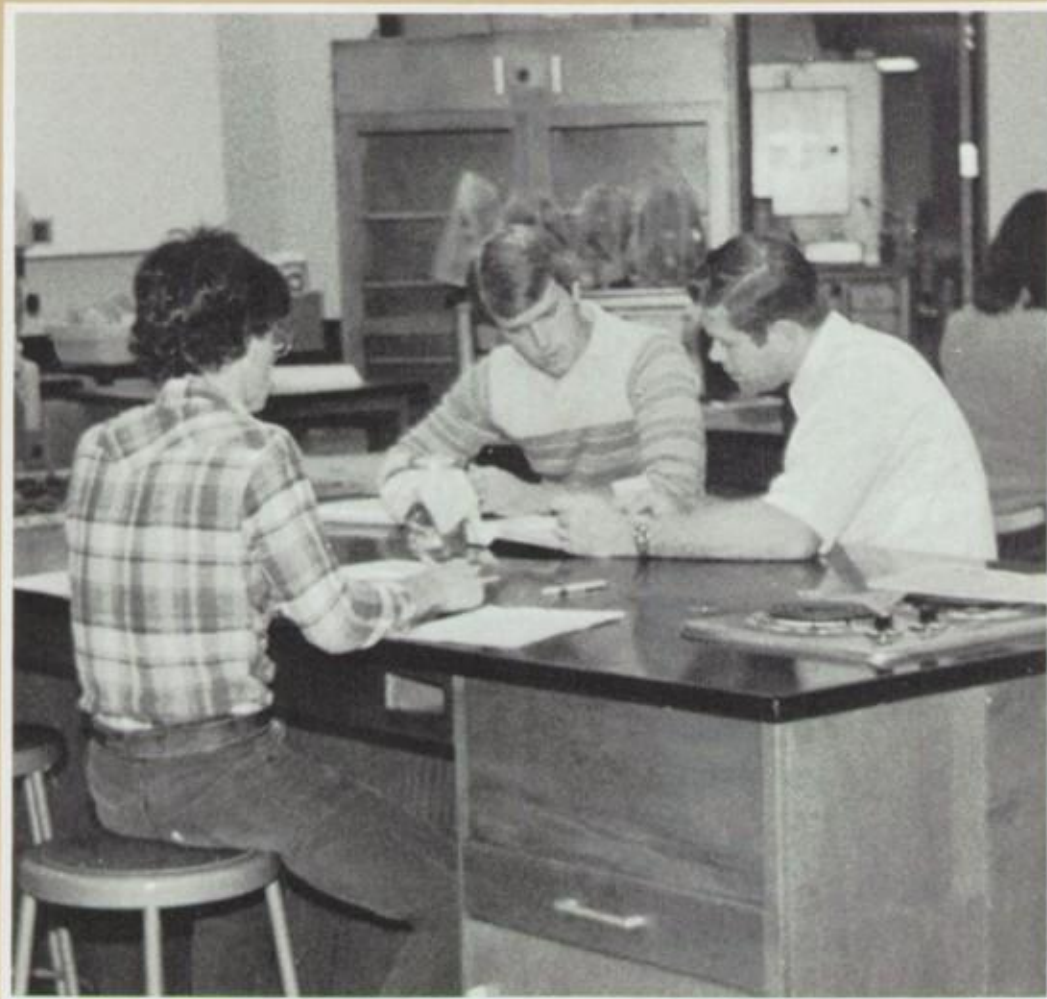

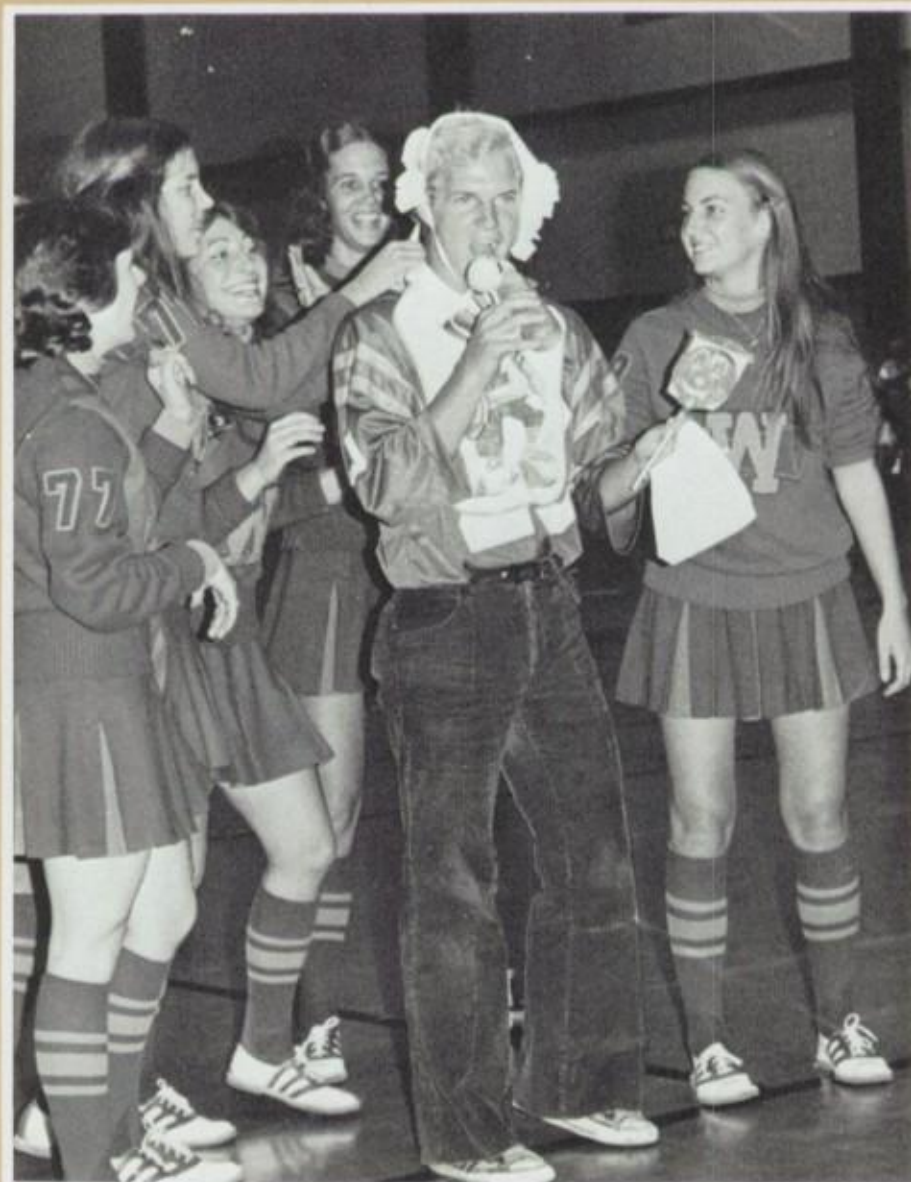

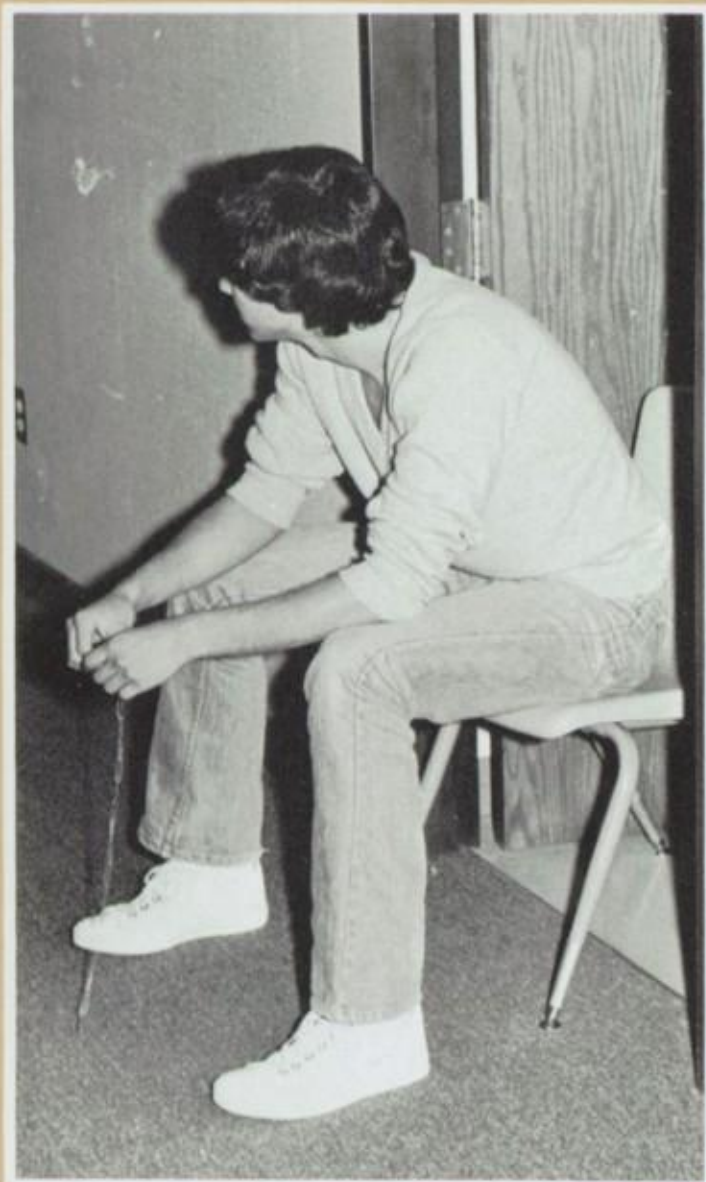

With Each  
Passing  
Day ....

We Are  
Enriched  
With Wisdom  
From Life's  
Encounters.

The long and winding road, I've seen that road before. It always leads me here, leads me to your door.

You know you've got to make it by yourself, I'll be your friend and lend a helpin hand, but you gotta try and help yourself before I can.

The great thing  
in the world is not  
so much where we  
stand, as in what  
direction we are  
going.

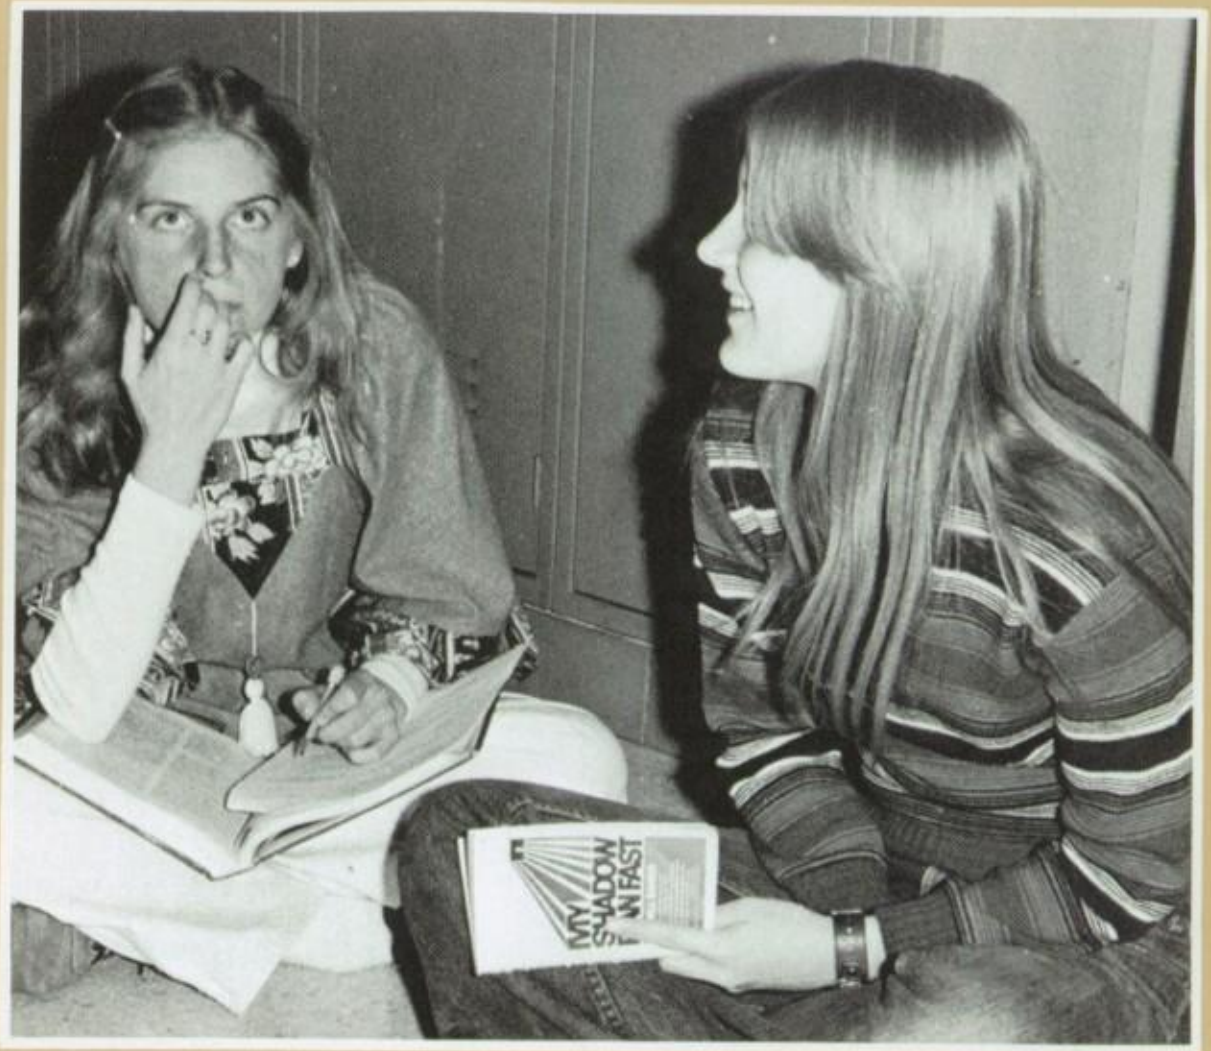

There may be times when you  
think you've lost your mind, and the  
steps you've taken keep you three full  
steps behind.

I Have To Say  
My Friend,  
That This Road  
Goes A Long  
Long Way ....

And If We're  
Going To Find  
The End,  
We're Gonna  
Need A  
Helpin' Hand.

We've come to realize that it's up to us to put the colors into our world. Our painted smiles won't stop the rain, we know, but that's somehow okay; because it's a rainbow we're looking for, not the gold at the end.

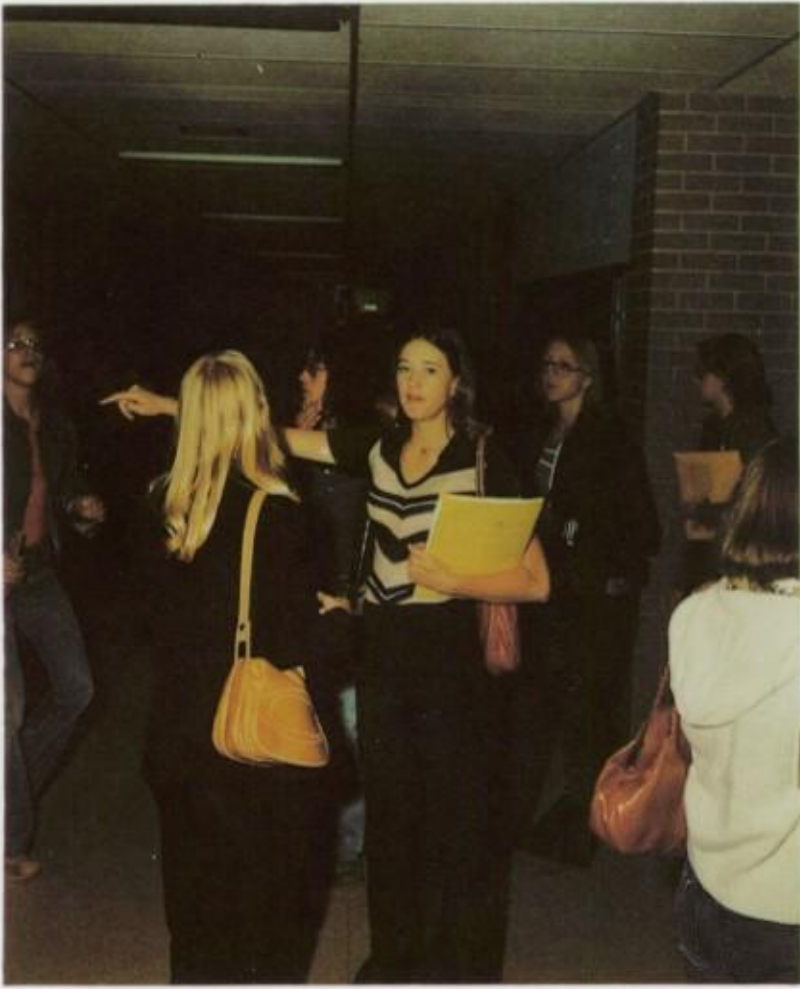

You may strive to be like your friends, but seek not to make them like you, for life goes not backward nor tarries with yesterday.

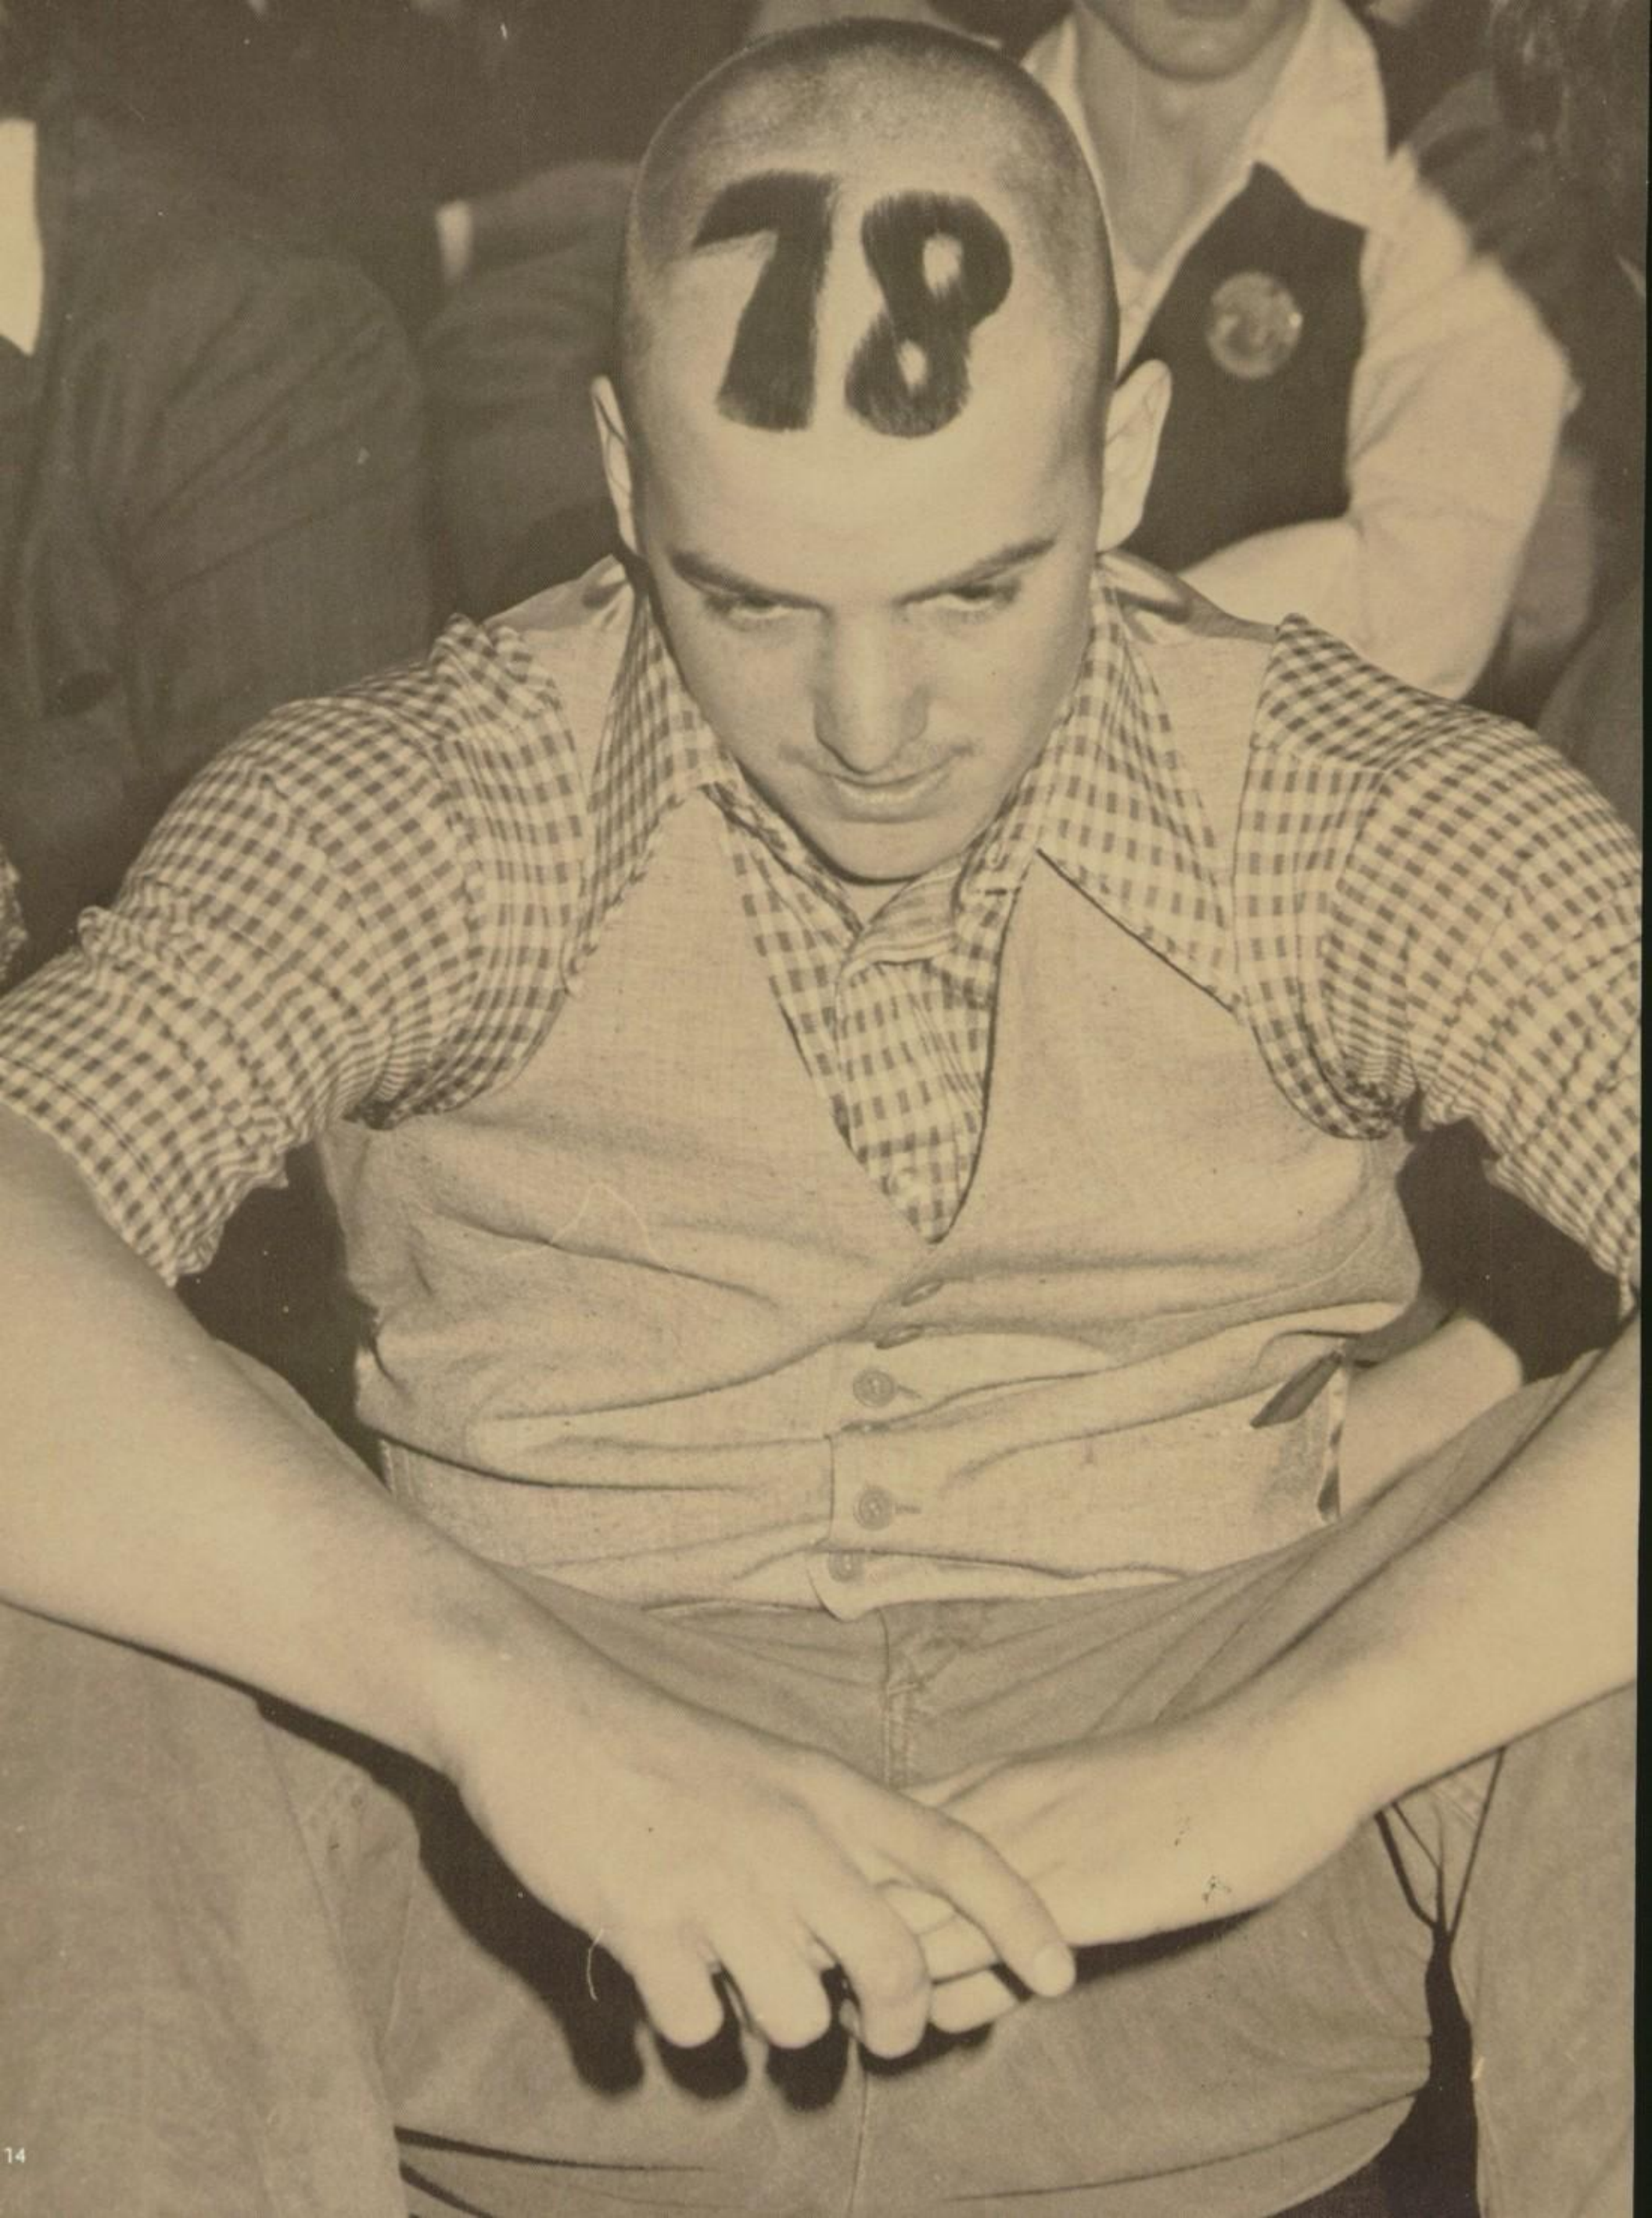

None of us really knows why we are here, but all of us are continually searching not for what we are, but for what we want to be.

1977 SIGNALS A TURN ON THE ROAD  
OUR SENIOR YEAR IS OVER  
AND THE TIME HAS COME  
FOR EACH ONE OF US  
TO CHOOSE OUR DIRECTION IN LIFE  
EACH WILL TAKE A DIFFERENT BRANCH  
AND GO A SEPARATE WAY  
BUT THE MEMORIES OF OUR YEARS  
HERE AT WEST  
WILL REMAIN WITH US FOREVER

## CLASS OF '77 OUTSTANDING ATHLETES

In the school year of '73-'74, our freshman year, 13 athletes (male and female) lettered in 6 sports. Seven of these people went on to become 4 year lettermen. They are: Julie Hettinga in Volleyball and Gymnastics; Kathi Whalen and Debbie Glenetzke in Volleyball; Mike Matushak and Tim Gifford in Cross Country; Mark Woller in Swimming; and Mark Grasmick in Track. Grasmick also went to the State meet as a member of the 880-yd. relay team that year. Our Boys' Track Team also won the Indoor Conference Championship, and the Baseball Team went to State.

During our sophomore year, a number of other athletes received letters. The Cross Country Team won the City Meet, and Mark Nemke went to State in the 880, placing third. The Baseball Team won the Conference title.

Our junior year again saw Mark Nemke travel to State and take second place. For the second year in a row, the Baseball Team won the Conference and also took second place at State.

This year our CONCERT CHOIR was again rated as one of the top ten in the state and one of the top 100 in the country. They had a busy year with their annual Fall and Spring concerts, as well as the Pop Concert, and an added short tour. Most of the members were active in solo and ensemble competition, and in the difficult Honors Choir audition held each year. We were happy to have two West students in the Honors Choir this year, as well as a total of eight people alternate.

The CHAMBER CHOIR, is a secular group chosen from the Concert Choir. This smaller group sings in the regular school concerts and also area functions.

The WOMENS CHOIR, having girls from the Sophomore to the Senior classes, total almost forty this year. Mr. Larson feels

that this is one of the better sounding choirs they have had.

This year, we had a student teacher, Mrs. Tesch. Attending the UWSP, and majoring in vocal music, she directed many of the Christmas numbers, and the people enjoyed working with her.

Also, several members try out for and win places in the all state Honors Band - a great honor for those chosen, as this band represents Wisconsin's best high school band students. This year, the West Orchestra was made up of 35 string players from all grades, and 25 Symphonic Band members.

The schedule for this year consisted of 3 major concerts, trips to play for the elementary schools, solo/ensemble and group competition and working with guest directors.

A Major goal is to give students the opportunity to play music of lasting value, such as Beethoven's Fifth.

The Orchestra would like to recognize M. Nelson as the West member of Wisc. Honor's Orchestra.

The Director?!!

The Jazz Band here at West has a total of 21 members- all of which go through tryouts each year.

They had a busy schedule this year by going to play for area schools, playing in the Choir Christmas Concert, competing with 36 other bands at Green Bay in a Jazz Fest- where they took a strong showing, and in a special concert of their own, where they played many songs-two arranged and written by member, Mike Nelson.

The people in the band like what they're doing--and they're good, too!

# Detour To Homecoming

On October 14th Wausau West began its 1976 Homecoming celebration. Blue-Gold eve was kicked off with the teachers skit followed by the class skits and games. The classes all showed great spirit, but the juniors came up with a unique idea. Bob Halstead shaved his hair in the form of a '78'. The highlight of the evening was the moment Charlotte Krohn, last years queen, crowned Sandy Yach as the new queen.

Competition continued on Friday, October 15th with a parade of anti-Red Robin floats and cars supporting the queen candidates. Final tournaments were held and the seniors were determined to be the over-all winners. A special thanks goes out to the advisors for their assistance in this years Homecoming festivities.

Queen candidates were as follows: (LEFT TO RIGHT, BOTTOM OF PAGE AND TOP OF NEXT PAGE) Sandy Yach escorted by Mark Schlitz, De De Heil escorted by Larry Rebman, Mary Hartwig escorted by John Wiesman, Mary Jo Oleszczuk escorted by Wally Bartz, Lisa Almlie escorted by Andy Burish, and Phyllis Kruit escorted by Roger Binkowski.

# Traveling The Highway To 'Junior Girls'

"Could it be Magic", was the theme of the 1976 Junior Girls Dance. It was held at the Marathon Park Youth Building, on December 29th, from 8:00 P.M. until 12:00 midnight. The sophomore girls supplied refreshments and music was provided by the Gene Heier Orchestra. The after party was held in the Wausau West Commons.

Committee members were, (L. TO R.), Mary Almlie escorted by Jerry Klemp - finance, Mary Vogel escorted by Jim Hartwig - after party, Lori Skibba escorted by Pat Wunsch - after party, Chris Klinker escorted by Matt Skic - refreshments, Sue Buehler escorted by Dave Berna - decorations, Sandy Sloan escorted by John Kressel - helped other members of committee, Peggy Matakovich escorted by Tim Roble - publicity, and Laurie Luedtke escorted by Mike Schroeder - invitations. Also a thank you to the sophomore girls for their help.

# Fashion: A Race In Style

The Bicentennial brought about a total new look for the fashions of the coming year. Western style was the theme with Frye boots, denim skirts, gauchos, and the pants-tucked-in-boots look. Sweaters were also on the scene in wrap arounds and cowl necks. Occupational styles came into the picture with painter pants and bib overalls. Mechanic suits, too, did their part by setting off the jumpsuit trend. Levi jeans were still most popular, but Oshkosh ran a close second. The season also brought in more waist length ski jackets and a new dimension, the down vest.

Hairstyles were shorter and curlier for both girls and guys. The afro was popular together with feathered sides and bangs. The longer, curled back and curled under styles were new ways for girls to wear their hair.

Pictures are, STARTING AT UPPER RIGHT, IN A CLOCKWISE POSITION, the down ski vest, Oshkosh and Levi Pockets, the curled back hairstyle, guy's feathered an afro heirstyles, and girl's feathered hairstyles.

Pictures are, STARTING AT UPPER LEFT IN A CLOCKWISE POSITION, teachers are in syle, too, with afros, boots, and gauchos; knee-length jumper, skirt and gauchos; painter pants; (L. TO R.) ripple sole, Western and Frye boots, wedge heel-ballet slipper look, platform sole, and earthshoe; Miss Scheid's Swedish clogs; denim jean skirt; and jumpsuit.

## High Roads To Entertainment

The entertainment world, again, produced new pictures and sounds for '77. Turntables were spinning new discs with some of the top albums of the year being "Frampton Comes Alive", "Alice Cooper Goes to Hell", and "Boston." Singles reached the peak with "Stand Tall".

Disaster flicks of last year were replaced by supernaturals such as "The Omen" and "Sybil." For the tearjerker crowd, there was "Ode to Billy Jo," while the realists preferred "One Flew Over the Cuckoo's Nest." Nineteen seventy seven also saw a revival of the old monster flicks, like "King Kong."

In television, women detectives showed up on the screen in "Charlie's Angels," while Starsky and Hutch T-shirts displayed their show's popularity.

## Roads Go Ever On and On

Roads go ever on and on,  
Over rock and under tree,  
By caves where sun hasn't shone,  
By lakes that can't find the sea,  
Over snow by winter sown,  
And among the flowers of June,  
Over grass and over stone,  
And under hills in the moon.

# Sophs, Take A Pitstop Halfway Through

Wausau Street

There are golden apples to be  
picked  
And fresh hills to climb  
And meadows to run, when you're  
young.

There are roaring rivers to be  
crossed  
And bridges to build  
And wild oats to sow as you grow.

But later, on the other side of time  
The apples no longer taste sweet.  
Bridges fall down, meadows turn  
brown  
As life falls apart  
In a little room on Wausau Street.

### The House By The Side Of The Road

There are lonely folks that live withdrawn  
in the peace of their self content.  
There are folks, like stars, that dwell a-  
part in their fellowless firmament.  
There are folks, like pioneers, that blaze  
their paths where highways never ran.  
But let me live by the side of the road and  
be a friend to man.

I see from my house by the side of the  
road; by the side of the highway of life,  
The men who pass with hearts full of  
hope, and those who are faint with  
strife.  
But I turn not away from their smiles or  
tears; both part of an infinite plan,  
Let me live in my house by the side of  
the road, and be a friend to man.

I know there are brook-gladden meadows  
ahead, and mountains of wearisome  
height,

That the road passes on, through the  
heat of the day, and stretches away to  
the night.

But I still rejoice when travelers rejoice,  
and cry with the ones that moan  
And I don't just sit in my house by the  
road, like the man who lives alone.

Let me live in my house by the road,  
where the races of men go by.

They are good, they are bad, they are  
weak, they are strong; wise, foolish,  
well, so am I.

Then why should I sit in the complaining  
seat, or hurl the cynic's ban?

Let me live in my house by the side of  
the road, and be a friend to man.

No one's moved the road for me and no one's found a way to beat the brush down through the woods or make the brambles snap back safely and on cue.

No clearing in the woods awaits my coming, foot or horseback, except the clearing I make my self. But the path to you was never easy and the road that led me this far had no lamps to light it.

So credit me with being a West Warrior for 2 years and never giving up.

Wausau West High and the Year-book Staff welcomes the Class of 1980, and wishes them the best of luck during their years here at West. They seem to be off to a fine start after their first year. They did a great job during Homecoming and showed super spirit throughout the year. The class officers are shown in the picture to the right. From left to right they are: Julie Anderson, Linda Betzner, and Lisa Atwood.

## 1976 FOOTBALL

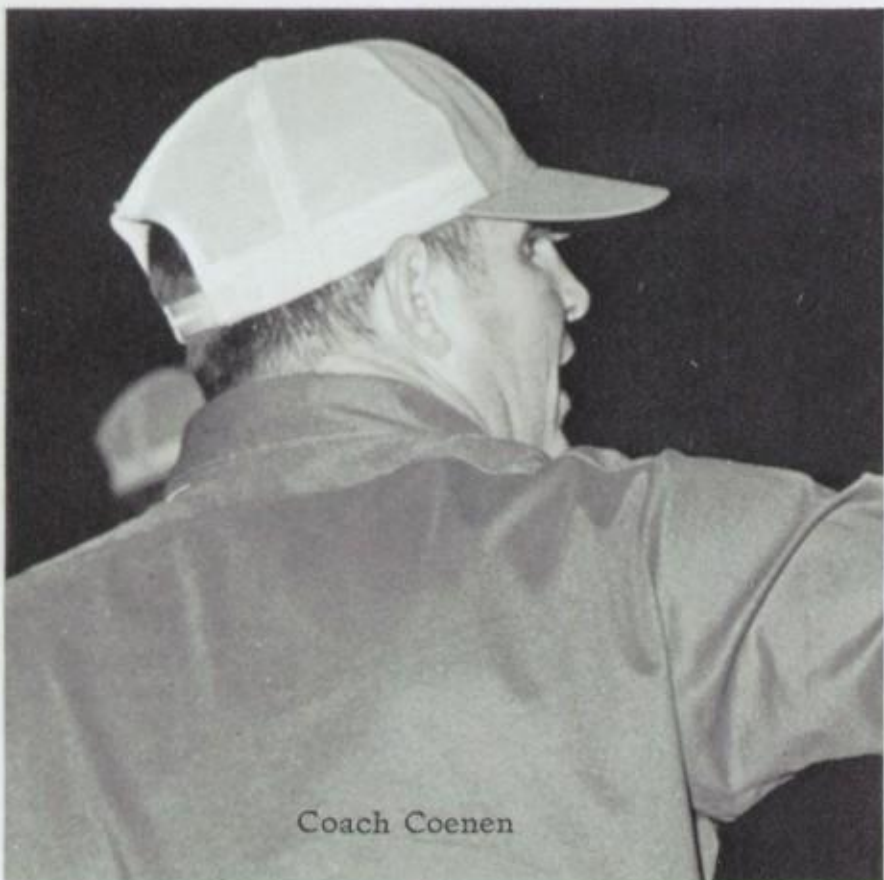

When anyone asks me what kind of a football team we had at West in 1976, I always tell them this: We had a good team but we didn't win many games. That may be hard to understand if you didn't see any of our games.

All of our games were close, even the ones we won, and to end up the year with a 3-6 record when we know we had a good team, makes the season pretty frustrating to the players and the coaching staff.

Coach Johnson

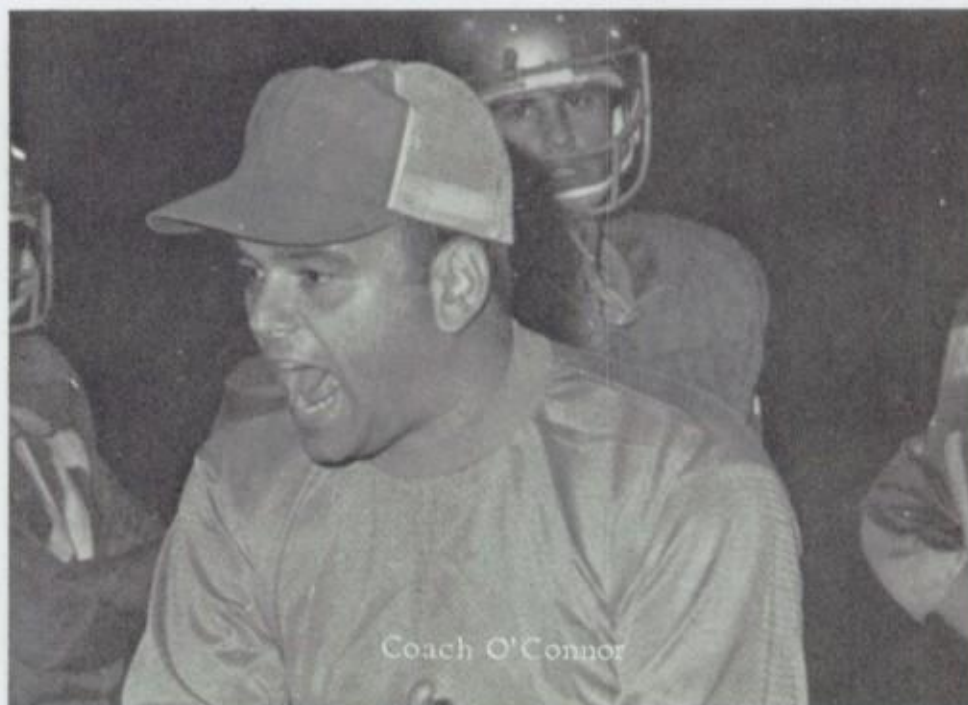

Coach Coenen

The Warriors posted a respectable 3-6 record this year. The Warriors showed victories over the Stevens Point Panthers, the Marshfield Tigers, and the Shawano Indians.

In all of the six losses, the Warriors suffered, 5 of them were by a touchdown or less. The loss of some key players and the offensive's inconsistent play attributed to the defeats. Two of the losses this season were a 19-0 defeat handed to the Warriors by Wausau East in the annual battle for the Wausau Log. In that game, the Warriors committed nine turn-overs. The other loss, was a 6-0 defeat handed to the Warriors by the eventual State Champion, Antigo.

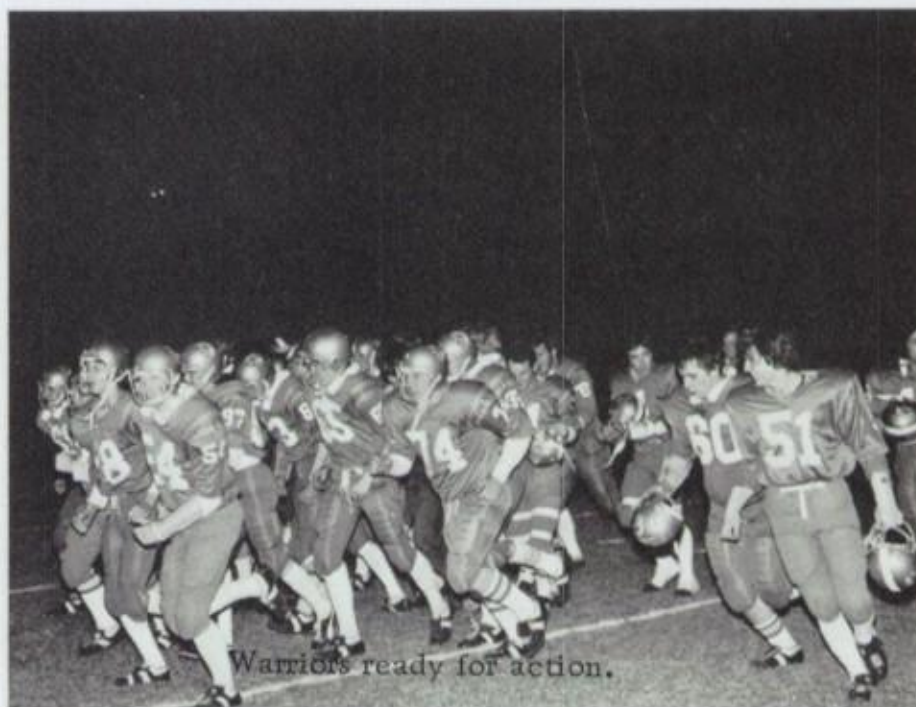

Introducing a new play.

VARSITY WRESTLING—ROW 1: J. Wunsch, J. Fischer, T. Rueger, B. Fox, R. Eckert, J. Burk. ROW 2: R. Kampfer, R. Zuidema, M. Skic, J. Travnick, K. Brown, D. Rein, M. Miller, Coach Marsh.

Interest in the Wrestling team this year was quite evident with approximately 40 boys out for the sport. "This is the first year for full J. V. and Freshman squad participation;" boasted Coach Marsh, "and the Varsity has a good future with half the team consisting of Sophomores."

The team is doing quite well considering the 2 top teams in the Conference are ranked in the top 3 Statewide. Last year they took a hard last place finish in the Conference. "This year we are ranked about in the middle;" Marsh pointed out.

Varsity Captains this year are Thomas Eugene Rueger and Kirk Brown, both Seniors. "We have a pretty well balanced team with no one outstanding wrestler;" he commented.

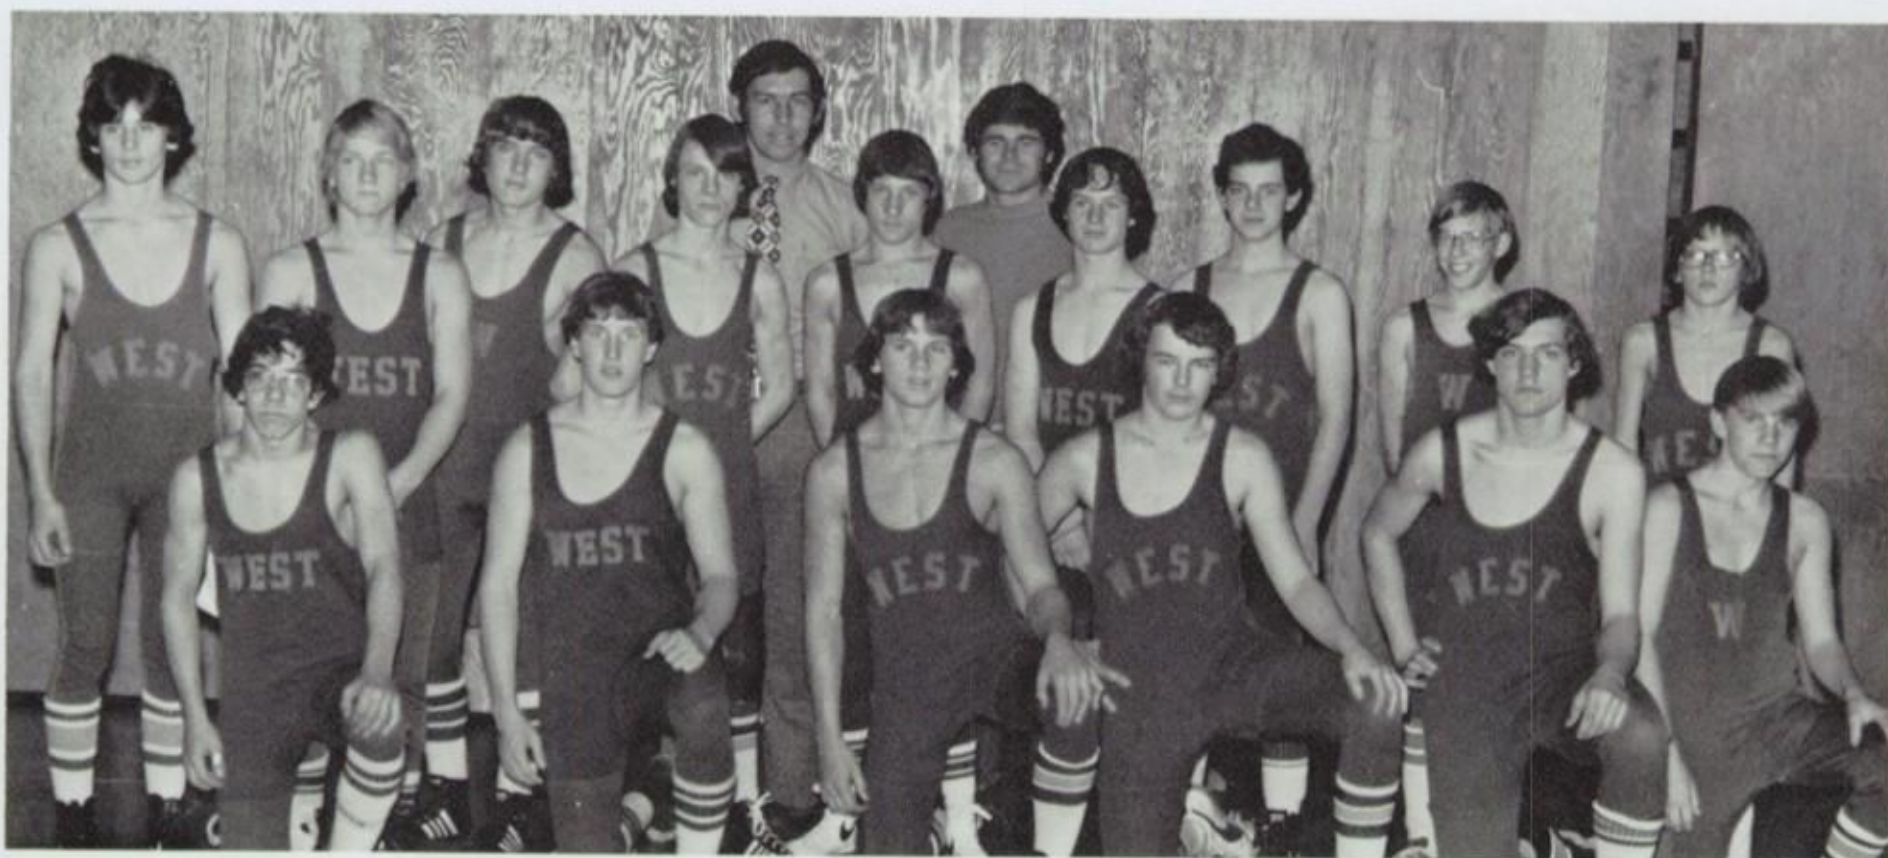

He also stated that he is, "expecting some of the boys to really do well during the tournament time."

# A Walk To The Swimming Hole

Boys Swim Team: ROW 1: Mgr. T. Ziegel, T. Gustafson, S. Lemmer, B. Halstead, T. Bagby, M. Woller, D. Tullis, J. Henry, Mgr. Karen Wildman. ROW 2: J. Schlais, D. Moser, D. Powell, B. Miller, D. Hollman, T. Mumford, M. Rusch, S. Merman, Coach Fischer.

"The Wausau West Boy's Swim Team finished the year with a disappointing meet record; however this does not tell the whole story of the season. As with any athletic program, swimming can and does offer each participant the chance for challenge and personal improvement. This year's team was small in numbers but big in dedication. The boys worked very hard, set personal goals, and met the individual challenge of competition, even though the dual meet record was not all that it was hoped to be. And, to me, this dedication says much more about the team than a column of numbers in a win-loss column. There are, I think, many ways to win," Stated Coach Fisher. At this time Bob Halstead is one of the top 3-50 yd. freestylers in the state.

Bob Miller takes a dip.

## THE BIGGER THE BETTER

This year has been the biggest team West has had in curling. history. The only problem was trying to schedule practice for 30 curlers. We're looking forward to next year with such a large number of people returning. As half a season gone the boys have 7 wins and with 1 loss for the girls a 3-3 record.

## LOLLYPOP LAPS

"Everyone cutting their time gets a lollypop" was a different technique used by Miss Young to encourage her swimmers at practices this year. The girls always swam hard, but really pushed themselves for a sucker or two.

This years team was the most promising yet, stated Coach Young, although lack of depth cost them some very close meets. It was a young, but enthusiastic group of girls-the majority being sophomores and freshmen.

For the second year, sophomore diver, Carla Hilber went to state. The team voted Kris Hansen as "Most Valuable" and Laurie Smrstick as "Most Improved".

Cute, huh??

The team received the "Good Sportsmanship Award" at the First Annual Girl's City Tournament. They also hosted the sub-sectional, sectional, and conference meets.

The girls voted Laura Fitzsimmons as "Most Valuable" and Diane Whitney as "Most Improved".

## UNLIMITED DETERMINATION

The West girl's cross-country team showed tremendous improvement in what is considered to be one of the most physically demanding sports.

Coach Moore felt that his girls had the attitudes of champions throughout the season, and the dedication shown towards their individual goals was inspiring.

The team finished no less than third all season, being both City and Conference runner-ups, and bringing in a third place finish in the sectional meet.

The girls voted Patti Schaepe "Most Valuable" and Dawn Smart "Most Improved".

## POPULAR SPORT

Volleyball was number one girl's fall sport. There were 56 enthusiastic girls who participated on the 1976 volleyball team.

Many Freshmen were out for this common sport and kept a very good record.

The J. V. with their lack of experience, started to put it together towards the end of the season.

The Varsity had two Round Robin tournaments to keep them busy. One was at Wis. Rapids and the other was at Antigo. They won their preliminaries in the city tournament and then gave East a fight for the championship game. They received second place in city, although it was very close.

Miss Hintz emphasized, "Overall we had a very young team. Although we had strong individual skills, we lacked the ability to put it together as a team. I feel next year this experience will be to our advantage."

## GIRL'S BASKETBALL MAKES HISTORY

Girl's basketball conference and state tournament was originated in '74-'75. West started three years ago. They played what ever games that could be scheduled. '74-'75 marked the beginning of an organized conference league and a first girls state tournament in Wisconsin.

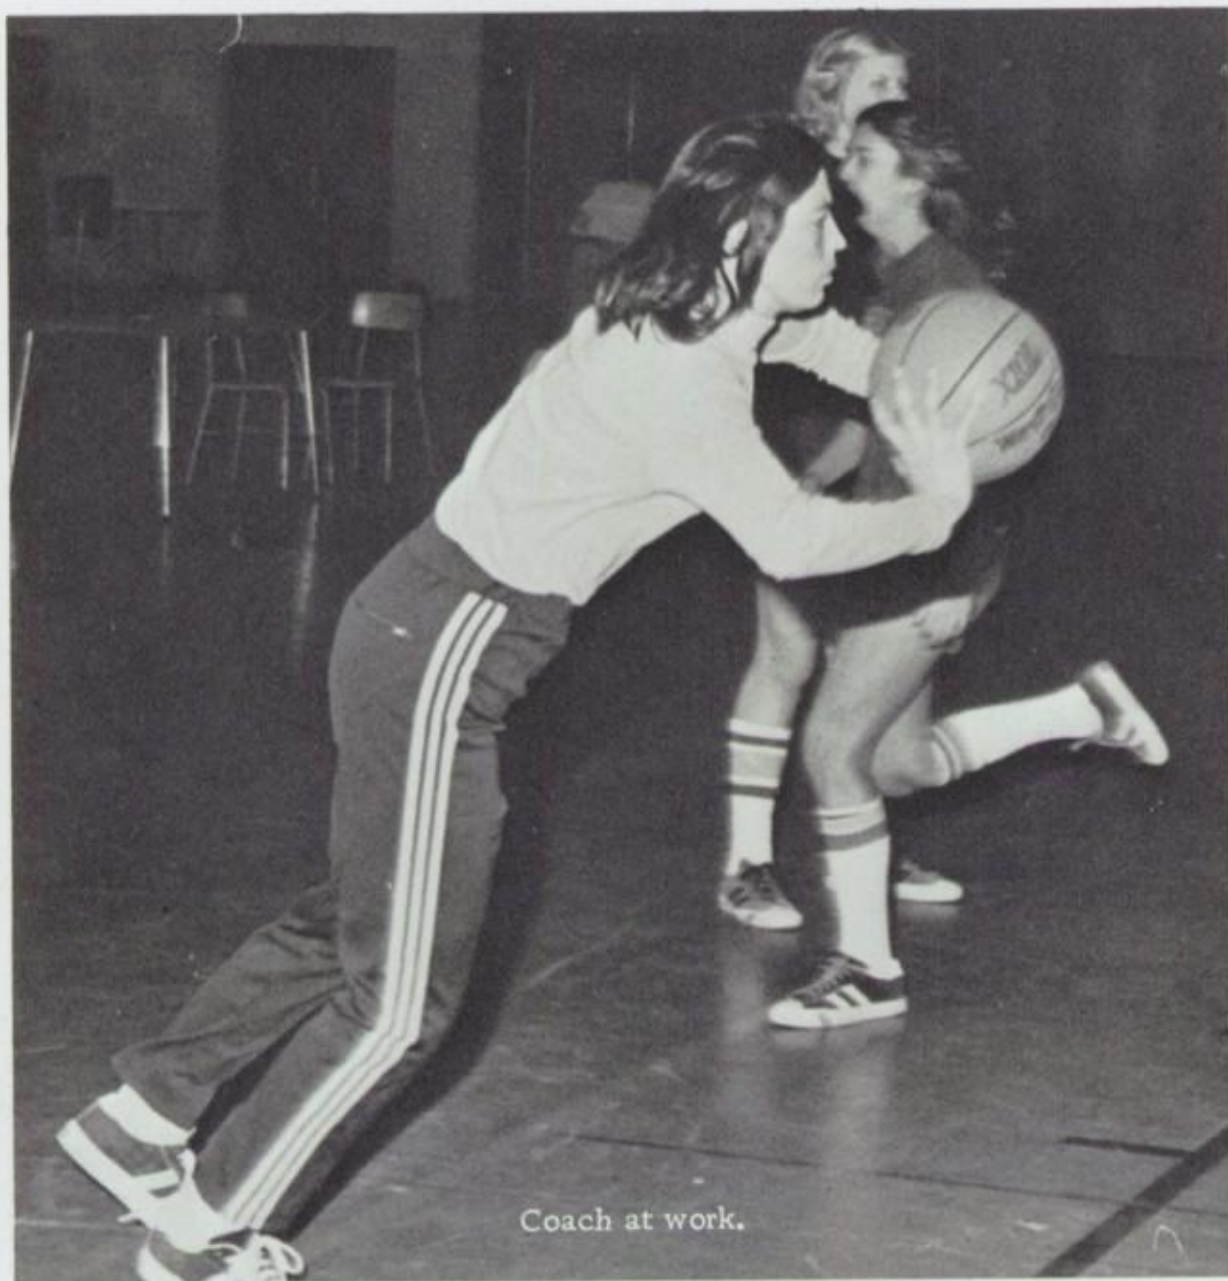

The '76-'77 city tournaments had West challenging Everest and East against Newman. West came within three points against Everest, who were defending city champs. In the consolation action, West defeated Newman. They played well as a team and gained much experience.

Miss Cave commented, "We improved on defense and quickness, with the leaders in that area being Marty Clifford, CeCe Spooner, and Sue Pagel. The squad consists of ten players total, three seniors, three juniors, and four sophomores. We're a young team, but it has enabled us to gain experience at the Junior and Sophomore level."

## STRENGTH WAS THE KEY

The girl's gymnastics team was young this year, with only senior letterman Julie Hettinga returning. Other returning lettermen were juniors, Sue Buehler, Beth Borchardt, and Micky Hruby.

Gymnastics requires a deal of strength and body control. The girls worked hard at practices to acquire this strength and skill.

After only five meets the varsity team held a 4-2 record, and the j.v. team held a record of 3-3.

Study Hall Takes Over  
Modular Scheduling

The study hall that was instituted this year at Wausau West High School was done for a variety of reasons. For the past six years Wausau West has had a hall problem. This hall problem, as a result of unscheduled time and flexible modular scheduling, was creating a great deal of hassle between staff members and students. Because the school did not have an effective way to deal with the hall situation and because at times, there were just not enough open rooms for students to go into, the study hall was instituted.

It is hoped that the study hall will make the halls quiet so that students in class can receive their education without being disrupted by noise in the hall. It is also hoped that it will make students more responsible to using their unscheduled time. It also is hoped that the study hall will cut down on the hassles between students and staff members.

The future of the study hall at West depends upon our ability to staff the study hall and to make the place better to sit and study. Our study hall could prove to bring better education to every Wausau West student.

### NEW MATH SKILLS CENTER

The math skills center was designed to give additional math application and instruction to all students needing it. Students were referred by an instructor, or got help on their own.

A placement test which covered different math categories was given to the student. It aided the instructor in finding areas where additional help was needed.

An instructional packet was then given to the student. It concentrated on a particular category in math, starting with basic problems and working toward more difficult ones.

## A Stroll Down Memory Lane

Of course everyone knows that the purpose of a yearbook is for use in the future to remember the happy days of high school. Not only did the yearbook staff work towards this goal, but on the way we collected a few memories of our own.

Being a staff member is not all fun and games as most people seem to think (especially teachers). Starting from no-where and becoming highly skilled and efficient journalists by the first deadline was a very challenging task. The only reason we accomplished this is because of our advisor's ability to resemble King Kong when she's mad at us. With motivation like that, what wouldn't we have done?

And then there were our editors. Although they weren't always there when we needed them, when they were, they helped us a lot and we think they did a good job. They gave us lots of advice and kept everyone getting things done.

There were also the spelling tests our advisor sprang on us on all the words news-writers are supposed to know that none of us did. But she did nice things for us too, like taking us on a trip, having a Christmas party for us, and keeping us in good spirits when things went wrong.

We'd like to say a special thanks to our advisor, Mrs. Rebholz, and our editors Tim and Mary Jo. We all hope that you have as much fun reading this book as we had putting it together.

This year the club has done a number of fund raising projects such as wrapping Christmas gifts at Tempo, and sold candles to finance a trip to U.W.-Stout for regional marketing contest held January 22 and 23, also a state leadership conference in Green Lake held in March.

In order to gain experience in speaking and leadership, the club in cooperation with The American Lung Association gave a presentation to the fifth graders on the subject of smoking.

The objective of the DECA club is to get students involved in civic activities, social and vocational understanding, also to develop leadership potential and for benefits in future careers.

## A.F.S. A Trip Around The World

This year Wests 17 year old foreign exchange student is Hideyuki Kuwajima of Japan. Although familiar with Western ways, his home in Ebestu City, on Hokkaido Island, has also been touched by the traditions of Shintu and Buddhist cultures.

Since July, when Hideyuki arrived in Wausaw, he has been living with Mr. and Mrs. Charles Schlitz, 221 N. 12th Ave. and their son, John, a senior at West.

When asked to compare life between Japan and the U.S., Hideyuki replied, "You are an American and I am Japanese. I'm used to the Japanese ways and how can I say one culture is good and one bad? Here families have more time to be together. In Japan, people work six days a week and the workers like to sleep on Sunday."

Hideyuki comments on school life, "You have much wealth and many things, but sometimes it leads to waste. Sometimes I see students break pencils for fun, or throw away a piece of paper because they make one mistake. Food is wasted too. Your teachers allow students to communicate with them. In Japan, our classes are much larger and if a teacher talks to one student, he can't be heard by the others. Also, here you say hello to people you don't even know."

Hideyuki will be returning to Japan in July.

# Wausau West Ski Team

The 1977 Ski Team had an exceptional year placing well in all of their meets. The team competed against such teams as arch-city rivals, Wausau East, Rhinelander, La Cross, Stevens Point and some Michigan teams.

Although there was a lack of snow it did not hurt the teams performance. 1977 also brought about a first ever girls team. The girls competed along with the guys. The Warrior skiers were coached by Mrs. Patz.

The team was lead by Andy Burish. The team should have another successful year losing only three seniors.

Dedication Of The 1977 Aurora:  
"Uncle Ben"

The Class of '77, along with the Yearbook Staff would like to dedicate this 1976-'77 yearbook to a man that has dedicated 37 years of his life to teaching, Uncle Ben Hylkema.

Born on April 29, 1916, in Turtle Lake, Wisconsin, Mr. Hylkema entered the teaching field in February of 1940, following graduation from the UW River Falls. He received his Masters Degree at Colorado State, and did post-grad work at the UW Madison, and at River Falls.

He taught in Elroy, Wisconsin for ten years before coming to Wausau in 1950. Upon arriving here he taught at Horace Mann, Wausau High, (when there was only one) and came to West when it opened in 1970.

Reflecting back to college days he remembered that everybody knew everybody. There were no dorms. He lived in a boarding house where rooms were only \$2 to \$3 and five days of meals cost only \$5 to \$6. All in all, he thinks his total cost for the four years in college cost about \$1200.

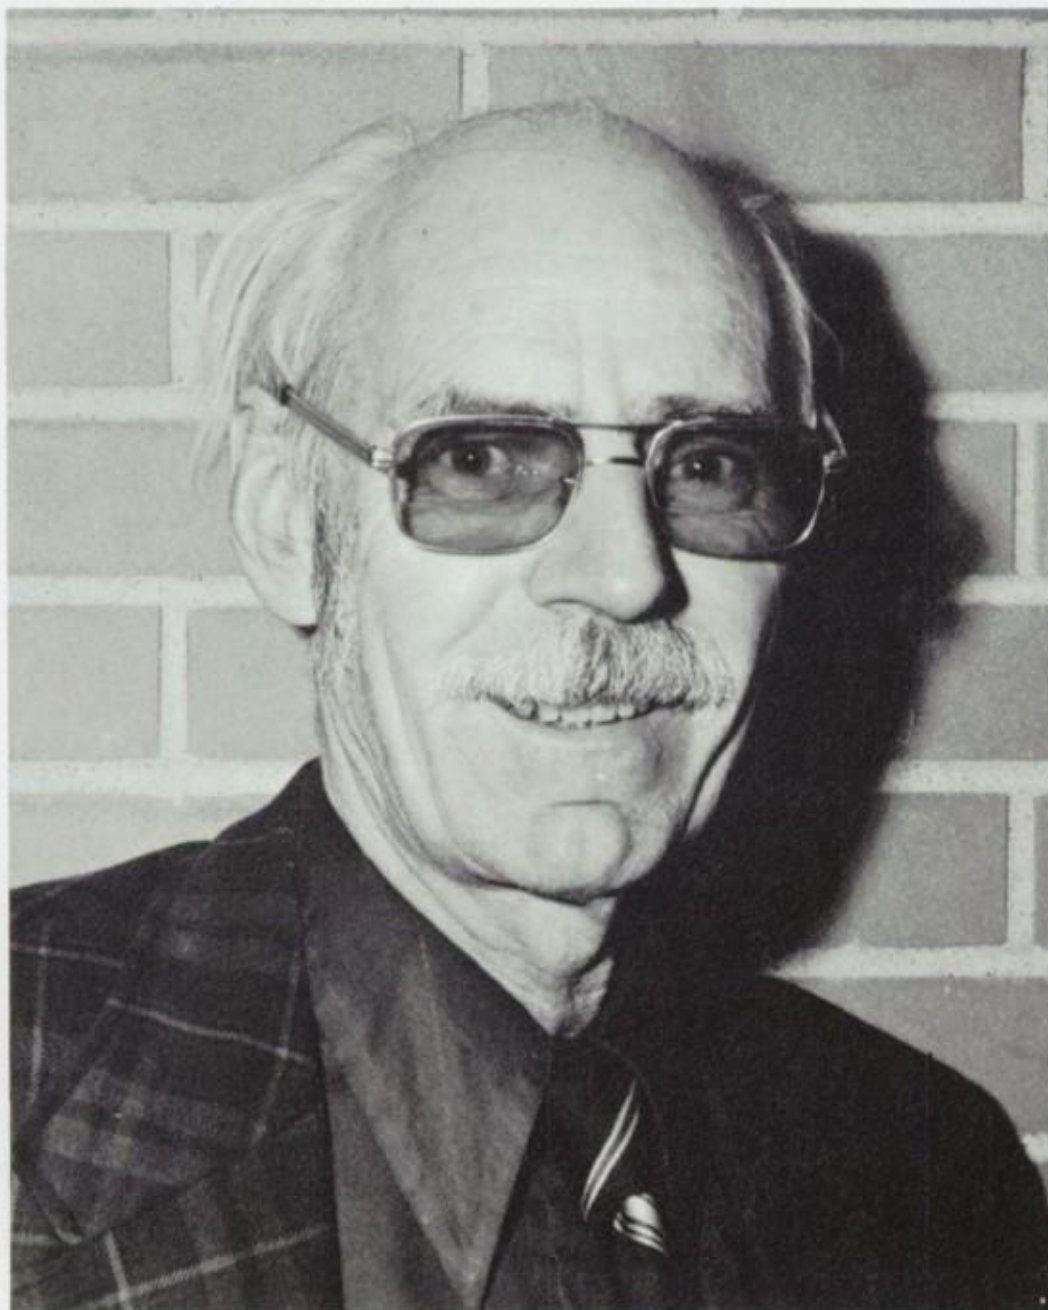

Mr. Hylkema feels that students should

not graduate early because they miss too much. He also said that teaching is more difficult today than thirty years ago because student retention is shorter-becoming bored easily. He thinks this is due to television. Although teaching is different, the teachers themselves are about the same. They still must deal with discipline. problems.

As for the students here at West, Uncle Ben feels they have a tremendous advantage over the students of thirty years ago. They have such a great opportunity to branch out to other areas and electives. The faculty here at West is tremendous.

He likes the modular system, the freedom of choice, and the small groups idea. But he feels that some students take the liberal system and abuse it.

In closing he said that he was going to regret leaving. For sure everybody at West is going to miss good ol' "Uncle Ben", too. Thank you Mr. Hylkema, from the students and the faculty, for 37 years of great service.

# To The Class Of 1977

## CLASS OF '77:

As expressed in the following fantasy, it is my sincere desire that your experiences at West prove to be a unique, personally satisfying and valuable educational experience.

The scene is the future. A dusty '77 yearbook is open-you flip the pages, photographs and captions evoke memories that push and tumble-images form a collage-homecoming; the Senior skit; Junior Girls' Formal; Mr. Gifford; Homeroom; DT's; the Commons-loud music; directed study; "free time".

"Yeah, West was a pretty good place, I guess. Most of the time I was busy, but it was fun and worthwhile. I had good friends, both students and faculty -- all those activities, forensics, talent shows, bus trips, pep assemblies, and games!

The classes and homework assignments all gave me a chance to get involved. The faculty cared. I learned a lot and got some experiences that have helped me since graduation."

I am certain that your future will be as bright as your achievements have been at West. You are a fine class. I have enjoyed working with you.

God bless each of you.

A.C. Wheeler

Directing Principal
